

## APPLICATION FOR A SUMMER SCHOOL BURSARY

The Academy aims to assist all those in Dumfries & Galloway who wish to improve their piping and drumming – whatever their financial circumstances.

The Summer School is heavily subsidised for all attendees however for those who would still be prevented from attending because of financial hardship there is a bursary fund which provides a limited number of free places.

If you wish to apply for a bursary funded place please sign the declaration below and return this form with your application.

I declare that a bursary funded place is appropriate for the student named below due to financial hardship in the family.
